

The data needed to issue the fuel card

(can be sent by e-mail):

- invoice information – a natural person who is not an entrepreneur: Name and surname, place of residence, date of birth
 - a natural person who is an entrepreneur: data according to the registration at the Tax Office
 - a legal person: extract from the Commercial Register, VAT registration certificate
- postal address, if different from the invoice address. We will send the fuel card to this address.
- product: AVGAS 100LL, AVGAS 91UL, JET A-1, Automotive Gasoline UNLEADED 95 Ethanol FREE (EN 14214)
- purchase without consumption tax or including consumption tax
- identification of the fuel card – aircraft matriculation or pilot's name
- e-mail address for incoming invoices
- expected monthly fuel demand
- On the basis of this information, we will prepare a purchase contract, which will be sent to you along with the fuel card to your address. Once we receive the signed purchase contract with an officially verified signature back, the fuel card will be unblocked and you will be able to refuel. Card PIN is not set – when you first refuel, you will enter your own combination of 4 numbers that will be saved as the card PIN.

You can refuel with one card at these filling stations (a separate card must be issued for each product):
